**Honesty and Integrity for Win-Win
Cooperation**

Huawei is committed to transparent procurement. Huawei staff must not affect the normal procurement under any name, to ensure that suppliers choose the most competitive partners without interference, non-designation of tier-2 suppliers is a basic principle that Huawei procurement and business departments should comply with, Except in cases when there are clear resolutions in special scenarios.

If you find that Huawei employees violate honesty and integrity behaviors, such as who required subcontractor to use the designated tier-2 suppliers and got profit from it, Please send an email to the Huawei Procurement Inspection Department at:

BCGcomplain@huawei.com; Purchase_audit@huawei.com

The Procurement Inspection Department is an independent audit department within Huawei, and will handle any complaints in complete confidence.
